Notification day: 22 October 2025

National Native Title Tribunal

‘Non-claimant’ applications have been made to the Federal Court of Australia (Federal Court) seeking determinations that native title does not exist in the areas described below. The Applicants have non-native title interests in these areas, which are set out in their applications and summarised below.

Under the *Native Title Act 1993* (Cth), there can be only one determination of native title for an area. A person who claims to hold native title rights and interests in any of these areas may wish to file a native title claimant application or become a party to the non-claimant application. These may be the only opportunities to have those rights and interests taken into account in the Federal Court’s determination. Any other person may also wish to become a party.

If you want to become a party to any of these applications, you must file a Form 5 (Notice of Intention to become a Party) with the Federal Court, **on or before 21 January 2026**.
