

# Behind every dream

Doctor. Lawyer. Engineer. Teacher. Social Worker. Business leader.

Your community is waiting for the next one. It could be you.

Studying at university is one of the most rewarding journeys you'll ever take. You'll be challenged, inspired and surrounded by people who will walk beside you for life. New friendships, new perspectives and a deeper understanding of the world and your place in it.

And your culture, your identity, your mob – they come with you. At Nura Gili you'll find a community inside UNSW that understands where you've come from and believes in where you're going.

We're behind you every step – from your first conversation through to graduation and into the career your community is waiting for.

We can't wait to meet you.

– Your Nura Gili team

## Apply for UNSW's ATAR-free entry pathway

If you're dreaming of a career in Law, Medicine, Engineering, Teaching, Social Work or Business – UNSW's Indigenous Pre-Programs is your entry pathway in. No ATAR required.

Held on UNSW's Kensington campus in Sydney, Pre-Programs is a residential experience designed to give you a genuine head start. You'll study real content from your chosen degree, building the academic skills and confidence you need before your first day at university even arrives.

But it's not all classrooms. You'll meet mob from across the country, connect with lecturers who believe in you and build relationships that will carry you through your entire degree and beyond.

By the time Pre-Programs wrap up you'll know the campus, understand what your degree involves, have made friends for life and be ready to hit the ground running from day one.

And the best part? All costs to participate are covered by Nura Gili.

### Key information

Open to Indigenous peoples of all ages across Australia

Runs from 15 November to 4 December, 2026

Held at UNSW Sydney, Kensington, NSW

All costs to participate are covered by Nura Gili
