(AREA: 576 square kilometres approximately)
being the land which is subject to Exploration Licence 7096,
all the within latitudes and longitudes are geodetic and expressed in terms of the Australian Geodetic Datum as defined on p.4984 of the Commonwealth Gazette number 84 dated October 6, 1966 (**AGD66**).

The general nature of the proposed mining operations that are to be carried out by the Proponent on the Land is:

Exploratory operations to determine the geology and presence of mineralisation of the Land and subsurface. Without limiting that general description, those operations may include: reconnaissance; gridding; mapping; aerial and handheld photography; airborne and ground magnetic, electromagnetic, radiometric, seismic, gravity and electrical surveying; soil and other geochemical sampling; water sampling; hydrological studies; hydrogeology surveys; shallow trenching; limited clearing to create access for drilling; drilling (including diamond core drilling and other methods); downhole-probing, sampling and radiometric testing of drill core/cuttings; environmental monitoring work (including baseline work, flora/fauna surveys, geotechnical surveys) and establishment of temporary camp/storage sites and access tracks as may be necessary.

The proposed activities are (or will be) authorised by the following exploration authorities under the *Mining Act 1971 (SA)*:

Exploration Licences 7088, 7089, 7093 and 7096 (including any extension, replacement, renewal, regrant or other dealings with Exploration Licences 7088, 7089, 7093 and 7096 and any other exploration authority or interest in any exploration authority for the whole or any part of the Land).

The Proponent seeks to negotiate native title mining agreements under Part 9B of the *Mining Act 1971 (SA)* in relation to the Land.

TAKE NOTICE that if, four (4) months after this notice is given as required by the *Mining Act 1971 (SA)*, there are no persons registered under the law of the State or the Commonwealth as the holders of, or claimants to, native title in whole or part of the Land, the **Proponent** (or its successors or assignees) may apply *ex parte* to the Environment, Resources and Development Court for a summary determination authorising entry to that whole or part of the land for the purpose of carrying out mining operations on the Land, and authorising the conduct of mining operations on that land.

Any person who holds or may hold native title in the Land who requires further information regarding this notice is invited to contact the Proponent at:
