

# Project Support Officer – Primary Care

- Looking for a **new job** or **career change**?
- Looking to work for a company that offers a **great working environment** and **benefits**?
- Want to contribute to improving the **health of your local community**?

Wentworth Healthcare is a not for profit organisation working to improve the health and wellbeing of our community: the Blue Mountains, Hawkesbury, Lithgow and Penrith areas of NSW.

We are currently seeking a full-time **Project Support Officer** to work within our Healthy Ageing and Palliative Care team. Key duties include managing and updating data, setting up meetings and booking events, and providing administration support for the stream.

To be successful in this role you will need good organisational skills with the ability to effectively communicate, engage and build strong relationships with local healthcare practitioners and other stakeholders.

For more information, please visit: [www.nbmphn.com.au/careers](http://www.nbmphn.com.au/careers) or call our recruitment team on **(02) 4708 8100** for a confidential discussion.

**Applications close: Sunday 21 August 2022**

*All applicants will receive consideration for employment without regard to race, colour, religion, gender, gender identity or expression, sexual orientation, national origin, disability or age.*
