

# Manager Primary Care Workforce Partnerships and Development

- Looking for a **new job** or **career change**?
- Looking to work for a company that offers a **great working environment** and **benefits**?
- Want to contribute to improving the **health of your local community**?

Wentworth Healthcare is a not for profit organisation working to improve the health and wellbeing of our community: the Blue Mountains, Hawkesbury, Lithgow and Penrith areas of NSW.

We are currently seeking a **full-time Manager** to provide leadership to the **Primary Care Workforce Partnerships and Development Team** and oversight into the development of strategies to support a sustainable primary care workforce. This includes (but is not limited to) oversight of CPD activities, maintaining collaborative relationships with key stakeholder groups, and producing reports.

To be successful in this role you will need to have the ability to think critically with exceptional skills in relationship development and proven experience in management and leadership. Our ideal candidate will possess highly developed written, verbal and interpersonal communication skills to develop reports, inform planning and maintain strong stakeholder relationships. An understanding of the challenges and opportunities of GP training within the Australian context is highly desirable but not essential.

For more information, please visit: [www.nbmphn.com.au/careers](http://www.nbmphn.com.au/careers) or call our recruitment team on **(02) 4708 8100** for a confidential discussion.

*Applications close: **Sunday 16 October 2022***

*Wentworth Healthcare is committed to creating a diverse environment and is proud to be an equal opportunity employer. All applicants will receive consideration for employment without regard to race, colour, religion, gender, gender identity or expression, sexual orientation, national origin, disability or age.*
