

Graduate Health Management Program Trainee

Department: South Eastern Sydney Local Health District

Employment Type: Temporary Full-Time until 29 June 2026

Position Classification: Health Manager Level 1

Remuneration: \$76,152 to \$102,438 pa

Hours Per Week: 38

Are you looking for a career as a future health care leader? Are you passionate about making a difference to the health and wellbeing of our community and staff across South Eastern Sydney Local Health District (SESLHD)?

We are looking for highly motivated, enthusiastic people to join our Graduate Health Management Program. Our 2-year Traineeship program offers you full-time employment as you complete a Masters Degree in Health Leadership and Management. The purpose of the Graduate Health Management Program is to develop future skilled and committed leader and managers.

Where you'll be working

You will be working with a range of teams and services, undertaking work placements across a number of our hospitals and services over the course of the program.

What you'll be doing

The vision for South Eastern Sydney Local Health District (SESLHD) is 'exceptional care, healthier lives'. SESLHD is committed to enabling our community to be healthy and well, and to providing the best possible compassionate care when people need it.

The purpose of the SESLHD Health Management Graduate Program is to develop future skilled and committed health leaders and managers. Participants in the program are titled Health Management Trainees.

Selection Criteria

1. Tertiary qualifications in a related field from a recognised university provider. Please note, you must provide a transcript of your undergraduate qualification(s) as part of your written application for this program.
2. Demonstrated high level of motivation and commitment to a career in health service management.
3. Demonstrated commitment to maintaining and role modelling a high standard of professional conduct and ability to exercise sound judgement.
4. Demonstrated ability to show initiative and demonstrated ability to critically analyse issues and identify solutions to problems.
5. Demonstrated high level written and verbal communication skills and demonstrated capacity to build and maintain effective working relationships with a diverse range of people and organisations.
6. Demonstrated organisational and time management skills including the ability to manage conflicting priorities.
7. Demonstrated proficiency in the use of computers and standard office software packages, and ability to learn quickly and adapt to new systems and processes.
8. Ability to travel in accordance with the demands of the role and willingness to work at various locations across the Local Health District on placements as required.
