

Compliance and Regulation Officer (Identified)

Do you want your work to make a difference for NSW?

Together, we create thriving environments, communities and economies.

- **Aboriginal Identified opportunity**
- **Compliance and Regulation Officer role**
- **Permanent full-time opportunity based within Hunter/Central Coast region**
- **Salary relative to experience, and ranges from \$101,396 to \$114,396 + super**

This is an Aboriginal Identified role where Aboriginal identity, cultural knowledge or connections are a genuine aspect of the role. Positions are specifically noted under the provisions of the NSW Anti-discrimination Act (1977).

About You

You will be working in the Hunter Central Coast Region which includes some of the most valuable environmental and Aboriginal cultural heritage assets in NSW. Your daily duties will include:

- Responding to reports of harm to Aboriginal cultural heritage sites and to the natural environment.
- Carrying out site inspections to gather facts and information.
- Writing reports and briefing notes that guide appropriate regulatory responses.
- Engaging with the community to promote positive environmental outcomes.

To be successful in the role, ideally you will have:

- Experience in community and stakeholder engagement and management.
- Experience in regulation and applying legislation in a compliance setting.

Essential Requirements

- Applicants must be of Aboriginal descent through parentage, identification as being Aboriginal and accepted in the community as such. Aboriginality is a genuine occupational qualification and is authorised under Section 14(d) of the *Anti-Discrimination Act 1997*.
- Experience in management of Aboriginal cultural heritage sites and matters relating to their protection and conservation.
- Degree in a relevant discipline or equivalent experience.
- NSW Drivers Licence class C.
