A great opportunity exists to join a recovery focused multi-disciplinary community MH team with strong connections and relationships with the local Aboriginal community. Aboriginal health is 'everyone's business' and SESLHD is committed to providing culturally responsive care for our local Aboriginal community. This permanent role provide the successful candidate with the opportunity to engage with the local community and make a real difference to consumers care.

The vision for South Eastern Sydney Local Health District (SESLHD) is '**exceptional care, healthier lives**'. SESLHD is committed to enabling our community to be healthy and well, and to providing the best possible compassionate care when people need it.

South Eastern Sydney Local Health District Mental Health Services (SESLHDMHS) are leading the way in the development and delivery of evidence based, collaborative and innovative mental health service provision. SESLHDMHS provides comprehensive mental health services within a variety of settings and facilities across the lifespan.

What you'll be doing

To provide responsive and culturally appropriate mental health care to Aboriginal communities residing within the Sutherland and St George geographical areas.

As a member of a multidisciplinary mental health team, the position will provide short term and extended care coordination, mental health consultations, health promotion, consultations liaison role, assist with community development and cultural awareness programs.

The role will provide support to the St George and Sutherland Mental Health Service as required to assist Aboriginal consumers within the service. This will include providing assistance to Aboriginal consumers as requested by the mental health inpatient unit, acute mental health services and community based mental health services.

An applicant's race is a genuine occupational qualification and is authorised under Section 14(d) of the NSW Anti-Discrimination Act 1977.

Closing Date: 11 December 2022
