Do you want your work to make a difference for NSW?

Together, we create thriving environments, communities and economies.

- **Manager Education opportunity with the Natural Resources Access Regulator**
- **Permanent full-time opportunity, regional location encouraged**
- **Clerk Grade 11/12 with salary relative to experience, and ranges from \$131,094 to \$151,609 + super**

NRAR enforces the NSW water laws and offers guidance and education to help water users comply. We strive to be an efficient and effective regulator that celebrates and reflects the diversity of the community we serve. Working with NRAR provides a chance to make sure water is used lawfully so that all communities and the environment get a fair share.

Our Manager Education, leads and manages a team to design, implement and evaluate education programs that support the regulated community to understand their obligations, the values of water and improve voluntary compliance, collaborating across other NRAR business units and key external stakeholders to identify opportunities for educational tools to be utilised and designs broad and/or targeted programs that can achieve efficient behaviour change.

About You

The Manager Education at NRAR will design and deliver innovative education programs with a strong emphasis on using indirect means to improve voluntary compliance, reducing the risks of unlawful activity.

You will develop, implement and evaluate strategic, tactical and operational educational plans, programs, projects and initiatives aligned with NRAR's strategic plan to elicit community behavioural change and support the strategic design, management and delivery of education elements in NRARs regulatory priority programs and initiatives to maximise the effectiveness of compliance and enforcement activity and outcomes.

You will travel to various regional areas of NSW, leading your team to collect, manage and analysis appropriate community behavioural and performance data to feed improvement in regulatory approach and implementation.

You will also manage and lead a portfolio of projects and develop external relationships with key stakeholders to deliver educational material and improved voluntary compliance.

Essential Requirements

- Extensive experience in compliance and regulatory operations, communications and/or targeted education programs
- Proven ability to prepare high-quality, evidence-based advice on program design and strategic projects
- Current NSW Driver Licence and some travel throughout the state is required
