Heavy Vehicle Mechanic - Apprentice

Apprenticeship Opportunities – Sydney

The Role

Transdev NSW have apprenticeship opportunities for the trade of 'Heavy Vehicle Mechanic' at a number of our Sydney locations.

Apprentices will learn to support the service and repair of our fleet of vehicles in line with best practice to ensure we operate in a safe, timely and efficient manner.

Collaborating with the Asset team, you will develop skills sets that align to achieving your qualifications in your chosen trade.

What you bring:

In addition to having an interest in heavy vehicles and buses, you will be self-motivated with enthusiasm to learn. You would be willing to work and learn in a team environment and with support the drive and commitment to complete your apprenticeship term.

You will have some technical aptitude and be computer literate in Microsoft Word and Excel.

Completion of a relevant pre-apprenticeship course or trade work experience is advantageous, but not essential.

The benefits for you

As well as financial rewards and opportunities to gain skills and experience from qualified trades persons, you'll also enjoy great benefits including a clean and orderly working environment and the support of dedicated managers who have your best interests at heart both in onsite training and formal study.

You will have access to sophisticated tools, systems and programs and ongoing training to help you be the best you can be.

Our values and beliefs

As an equal opportunity employer, we are committed to reflecting the diversity of the communities we serve. We support applications from people representing all diversity groups and ages such as Aboriginal and Torres Strait Islander, LGBTI, people with disabilities, religious beliefs, and ethnicity. We also have an uncompromising attitude to the safety of our employees, clients and customers
