Help look after country

The Hills and Fleurieu Landscape Board wants to work better with Kaurna, Peramangk, Ngarrindjeri communities. We need someone to help us work with the Aboriginal communities of the Hills and Fleurieu so we can look after country better.

The Aboriginal Partnerships Officer is responsible for working with Aboriginal Nation groups and organisations to support decision making relating to natural resource activities in the Hills and Fleurieu region. The role is responsible for providing expert advice regarding Aboriginal engagement to help develop and implement projects and ensure effective contribution to the regions landscapes programs. The position works closely across Government, Boards and communities to ensure Aboriginal perspectives are included in the development and delivery of regional plans.

- A current drivers licence is essential
- A current National Police Certificate is essential (for identified Positions of Trust).
