ABORIGINAL AND TORRES STRAIT ISLANDER HEALTH AND STUDENT DEVELOPMENT OFFICER

ANU has an international reputation for research and education relevant to the health and well-being of the population of Australia, as well as that of the developing world. This is achieved through discovery research, applied research in health service settings, research-led teaching in health and medical sciences, and the translation of research findings into practice and policy. The ANU College of Health and Medicine comprises the Research School of Psychology, the ANU Medical School, the John Curtin School of Medical Research and the Research School of Population Health. These schools work together to deliver world-class research and education across the spectrum of medicine and health-related fields, working in partnership with the health sector at local, national and international levels.

The ANU Medical School is seeking an Aboriginal and Torres Strait Islander Health and Student Development Officer. This position works within the Rural Clinical School based on the ANU Acton Campus. Reporting to the RCS Manager and responsive to Chair Indigenous Health and academic staff who oversee the Aboriginal and Torres Strait Islander Health Program along with the Head, Rural Clinical School. This position supports local academic staff and liaises with a number of stakeholders to promote Indigenous Health through curriculum content, recruitment and retention of students.
