If you can demonstrate your experience to plan and conduct investigations and/or audits, coupled with strong communication skills, the ability to interpret and apply legislation and can solve problems while under pressure, we encourage you to apply.

You will be joining an agency who will support your development and will provide you with an opportunity to develop a diverse set of skills, which will set you up for a successful career. You must be prepared to travel regionally and interstate (dependent on travel restrictions) for operational training or to assist in other ABCC offices.
