

## Senior Business Analyst

- APS 6, \$86,437 - \$99,430
- Melbourne
- Fixed Term Contract (6 months)

### Be part of something bigger

The role of the Australian Building and Construction Commission (ABCC) is to uphold the law and change behaviour to make the building and construction industry fair, efficient and productive.

Bring your passion and enthusiasm to a role that impacts an industry that is one of the largest contributors to GDP in Australia and provides employment to more than one million people.

### Your new role

Joining our supportive Business Analytics and Reporting team located in our Melbourne office, you will engage on a number of projects to deliver business capabilities, which encompasses enquiry and case management.

You will be responsible for steering engagement with stakeholders and technical areas in preparation for a range of business transformation work to be undertaken for new and existing systems. In this position you will be expected to have:

- strong leadership, analytical and problem-solving skills driven by a strategic focus, initiative, and sound judgement;
- achievement of organisational capability through delivering results;
- the ability to communicate clearly and negotiate with influence;
- professionalism through engaging with risk and action; and
- a high technological aptitude to form a bridge between business and technology.

You will report to the Director, Business Analytics and Reporting (BAR). As a senior member of the BAR Team, you also will demonstrate leadership and encourage positive working behaviours leading by example.

Demonstrated experience in database administration and maintenance, and/or Power BI report development will be highly regarded.

This is a 6 months fixed term; full time position and you may be expected to travel.

### What's in it for you?

You will be joining an adaptive, high performing and inclusive organisation. Our wellbeing, innovation and engagement index scores are among the best in the Australian Public Service (APS), according to the most recent APS Employee Census.

You will receive exceptional learning and development opportunities, flexible work options including the ability to work remotely, access to an employee benefits scheme, wellbeing initiatives all year round and an attractive base salary of \$86,437 plus 15.4% superannuation.

### What are you waiting for?

If this sounds like the perfect opportunity for you, review the candidate information kit on our website for instructions on how to apply.

If you have questions regarding the role, you can contact Lisa Linehan, Director – Business Analytics and Reporting on (03) 8509 3111 or email the Recruitment Team for more information.

### Eligibility

To be eligible for employment at the ABCC, you must be an Australian Citizen and agree to pre-employment screening. This may include a criminal history (police) check, health clearances and character checks. Some positions may require additional checks to be performed and require a security clearance.
