### Your new role

Joining our supportive ACT Operations team, you will work closely with the Assistant Director to engage with employers and employees in Australia's building and construction industry to provide advice, assistance and education to improve compliance with workplace laws.

You will play a lead role in undertaking visits to building sites to promote compliance and investigate potential breaches of workplace laws, as well as work with our internal legal team to ensure litigation is conducted appropriately.

be considered. A Certificate in IV in Government Investigations or Compliance and relevant experience in Government investigations or regulatory compliance will be highly regarded.

### What's in it for you?

You will be joining an adaptive, high performing and inclusive organisation. Our wellbeing, innovation and engagement index scores are among the best in the Australian Public Service (APS), according to the most recent APS Employee Census.
