Salary: \$80,775 - \$140,992

If you are interested in Technology, ASIS is interested in you.

If you have technical expertise and years in the industry under your belt – or have just finished your tertiary education and don't know where to begin your career – we want to hear from you!

We are looking to fill various positions across a range of levels. ASIS offers a wide range of opportunities for highly capable and motivated people dedicated to supporting Australia's national interests.

We are seeking suitable candidates to fill current and anticipated vacancies.

The positions are Canberra based, with conditions of service similar to those in the Australian Public Service, including superannuation.

We are looking for people with skills and experience in the following areas:

- Business Analysis
- IT Support
- Business Relationship Management
- Infrastructure Engineering
- Cryptographic Custodian
- Electronics Communication
- Construction Project Management
- ICT Project Management
- Digital Information Management
- Knowledge Information Management
- Architecture – Application/Network/Infrastructure
- Cyber Security
- Business Architecture
- Data Science
- Software Engineering

Head to the ASIS website to see a more detailed description of the roles and relevant closing dates.

These positions can be found under the Technologist tab on the Roles and Vacancies portal.

We look forward to receiving your application.

Citizenship: To be eligible for engagement, applicants must be Australian citizens.

Security Assessment: The successful applicant will be required to undergo and maintain a high level Security Clearance.

**Please Note:** ASIS does not provide feedback to unsuccessful applicants.

For further information on these roles please visit [asis.gov.au](http://asis.gov.au)

All applications for employment with ASIS are handled in the strictest confidence. It is essential that you maintain a similar level of confidentiality and that you not discuss your application with others.
