bp

About Us

Global Business Services (GBS) is a provider of a broad range of integrated customer solutions, supporting BP's operations across Australia and New Zealand. We offer a vibrant, collaborative work culture and a company that lives and breathes its values of Safety, Respect, Excellence, Courage and One Team. We have a commitment to developing your career and reward our people with a competitive package and flexible working conditions coupled with benefits that reflect these values.

About the opportunity

GBS is offering six (6) fantastic opportunities for students to join the team as part of our 12-month Co-operative (Co-op) program. Commencing in January 2021, the Co-op program provides penultimate year students with the chance to gain experience in a real job where you can apply the knowledge you have gained at university while continuing to develop your technical and business skills.

We have opportunities in the following disciplines:

- **Finance/Accounting (3 roles)**
- **Human Resources Services (1 role)**
- **Marketing (2 roles)**

You can find out more about what each opportunity offers by clicking the relevant application link below!

About you:

To be eligible for our Co-op program you are:

- In your penultimate OR graduating year of an Accounting-based (or similar) degree Available to start in mid-January 2021 for a fixed-term period of 12-months
- An Australian citizen or permanent resident
- Have work experience retail, customer service and/or office-based work (preferable, though not essential)

Breadth of competence across the following capabilities is highly desirable:

- Strong personal effectiveness and leadership skills: you can communicate purposefully and clearly with a range of partners, present ideas, manage your time and are hungry to learn, develop and acquire new skills
- Customer centricity: a customer-first mentality
- Commercial attitude: using time and resources to find opportunities to do things more efficiently and to ensure full benefits of activity is realized
- Digital fluency: able to understand the power of using digital tools to drive initiatives forward, identify improvement opportunities and a natural preference to automate work to eliminate inefficient work practices

About the benefits:

- Competitive salary package + 9.5% super
- Excellent work-life balance & flexible working arrangements
- Collaborative environment that celebrates achievements, diversity & culture
- Career development and mentoring programs in a global organisation
