

## Senior Project Officer

(Aboriginal targeted role)  
Cancer Institute NSW

**Employment Type:** Permanent

**Position Classification:** Health Manager Level 3

**Remuneration:** \$114,076 - \$130,046 per annum, excluding superannuation

**Hours Per Week:** 38

- **This role is open to Aboriginal and/or Torres Strait Islander applicants only, in accordance with a targeted recruitment action under the NSW Government Sector Employment Rule 26**
- **Be part of an organisation that improves cancer outcomes for Aboriginal communities**
- **Work with the Cancer Institute to engage Aboriginal women in caring for their health**
- **Break down the barriers to cervical screening for Aboriginal women**

As Aboriginality is a genuine occupational qualification for this role, to be eligible to apply applicants must identify and be of Aboriginal descent and accepted by the community. Applicants will be required to provide written evidence to confirm their Aboriginality. This documentation must be provided as part of your application and cited at interview. Stepping Up helps Aboriginal job applicants by providing information about applying for roles in NSW Health. For more information please visit [www.steppingup.health.nsw.gov.au](http://www.steppingup.health.nsw.gov.au).

The Cancer Institute NSW considers being a woman is a genuine occupational qualification for the position under s31 of the Anti-Discrimination Act 1977 (NSW).

### Where you'll will be working

The Cancer Institute NSW is the NSW Government's cancer control agency, established to lessen the impact of cancer across the state.

Working at the Cancer Institute NSW means joining a team of committed and dedicated staff who are proud to be a part of the Institute's purpose of overseeing and accelerating the effectiveness of cancer control in NSW, with a focus on Aboriginal people.

The Cancer Institute is a collaborative working environment that encourages diversity and inclusion in how we work and the way we work together.

### What you'll be doing

In this role you will be required to lead the development and implementation of key Women's Cervical Screening Program Aboriginal focussed projects and initiatives to increase participation of Aboriginal women in cervical screening.

You will work with the Aboriginal Cervical Screening Program Network and other key stakeholder to enable you to identify key projects. You will manage all stages of projects including all documentation to support planning and implementation to monitoring, evaluation and reporting.

To be successful in this role you will have a sound a knowledge of the Aboriginal services and agencies across NSW and be able to demonstrate confident presentation and communication skills. Essential to the role will be your ability to influence and engage with a range of stakeholders with varying needs in urban, regional and remote areas and clinical and non-clinical backgrounds.
