APS Level 6 (\$85,578 - \$96,226) plus superannuation

People Division

People Strategies and Policies Branch

Ongoing/Non-ongoing, Full-time/Part-time

Canberra – Barton

Are you looking for a change? A new start? A rewarding career that makes difference? Want to be challenged? Perhaps a role in the new Workplace Relations and People Policy Section at DFAT is the opportunity you've been waiting for?

As you know, DFAT is an organisation with both domestic and international presence, we deal with a range of complex, highly-sensitive and tough issues, some of which have no easy solutions. DFAT's agenda covers everything from foreign policy and trade negotiations, international development and humanitarian programs, Australian passport services, and international consular and crisis management. Our people are our biggest asset.

DFAT is committed to providing an inclusive and diverse workplace where all employees are valued. We appreciate the experiences, skills and perspectives of all individuals. We actively encourage applications from people from diverse backgrounds. Please refer to our Workplace Diversity internet page for further information.

Candidates must be Australian citizens.

An interview is a critical part of the security clearance process. The interview method (i.e. face-to-face or video conferencing) will be assessed on a case-by-case basis, taking into account advice from the Australian Government Department of Health and relevant state and territory governments.

Depending on the role into which you are placed, you may be required to obtain and maintain a Working with Vulnerable People/Children registration (or equivalent).

DFAT employees are expected to adhere to the APS Values and Code of Conduct and the DFAT Values Statement. Please visit the DFAT website to view further details of this opportunity.

Applications close **Sunday 20 September 2020 at 11.30pm AEST.**
