DFAT is seeking an experienced Senior Medical Adviser to assist the Principal Medical Adviser in delivering high quality primary health care support for employees and dependants posted overseas. You will provide advice on complex case management and coordinate medical evacuations and health care for staff and dependants.

You will assist in the management and supervision of five posted Medical Officers attached to overseas missions in Dili, Honiara, Jakarta, Port Moresby and Vientiane.

DFAT is committed to providing an inclusive and diverse workplace where all employees are valued. We appreciate the experiences, skills and perspectives of all individuals. We actively encourage applications from people from diverse backgrounds. Please refer to our Workplace Diversity internet page for further information.

Candidates must be Australian citizens.

An interview is a critical part of the security clearance process. The interview method (i.e. face-to-face or video conferencing) will be assessed on a case-by-case basis, taking into account advice from the Australian Government Department of Health and relevant state and territory governments.

Depending on the role into which you are placed, you may be required to obtain and maintain a Working with Vulnerable People/Children registration (or equivalent).

DFAT employees are expected to adhere to the APS Values and Code of Conduct and the DFAT Values Statement. Please visit the DFAT website to view further details of this opportunity.

Applications close **Monday 5 October 2020 at 11:30pm AEDT.**
