

Graduate Development Program

Canberra, ACT

12 month Graduate Development Program offers you a range of interesting and challenging work, access to professional development, excellent employment conditions, support through various diversity networks, rewarding professional relationships and buddies as well as endless career opportunities and pathways.

Graduation Ceremony program, a mentor to launch your career, a range of Graduate events, access to health and wellbeing programs, as well as a team of supervisors, mentors and program managers to assist and guide you.

You will also have exposure to Senior Executive Service (SES) Officers and participate in internal and external activities and events such as:

- Secretary's Book Club
- Graduate Project
- Refugee Week Grad Bake-off
- APSC Graduate Events

Graduates start in early February at the APS 4 classification with a starting salary of \$66,443.

On successful completion of the program you'll be placed in an ongoing role.

Closing date: 13 April 2021
