MURRAY-DARLING
BASIN AUTHORITY

APS 5, APS 6, EL 1 and EL 2 Various Positions

Location: Goondiwindi - QLD, Griffith - NSW and Mildura - VIC

Do you crave open space, fresh air and a quality lifestyle? Is a sense of purpose in your work, connection to the community and making a difference through the protection and enhancement of the environment important to you? At the Murray-Darling Basin Authority (MDBA) we're looking for talented and like-minded people to join us and be part of our friendly, professional and committed team.

Who are we?

The MDBA is an independent, statutory agency, responsible for planning the Murray-Darling Basin's water resources in the national interest. We hold important responsibilities for:

- prepare, implement and review an integrated plan for the sustainable use of the Basin's water resources
- operate the River Murray system and efficiently deliver water to users on behalf of partner governments
- measure, monitor and record the quality and quantity of the Basin's water resources
- supporting, encourage and conduct research and investigations about the Basin's water resources and dependent ecosystems
- advise the Australian Government Minister for Water Resources on the accreditation of state water resource plans
- provide water rights information to facilitate water trading across the Basin
- engage and educate the Australian community about the Basin's water resources.

The MDBA is recruiting ongoing and non-ongoing APS 5, APS 6, Executive Level 1 and Executive Level 2 positions in Goondiwindi, Griffith and Mildura.

- We are actively looking for people who have a range of skills and experience across:
 - environmental/biological science
 - natural resource management
 - water resources modelling and engineering
 - communications and engagement
 - research and knowledge
 - project management
 - corporate and business services.

Relevant tertiary qualifications and/or experience may be considered as part of the assessment.

Positions will be filled as vacancies arise based on the relevant work area needs. Suitable applicants may be selected for a merit pool and/or undergo additional selection activities to determine suitability for specific vacancies as they arise.

Relocation packages are available, and we are committed to a flexible and inclusive workplace that will suit you and your individual needs. Joining us means you will contribute your expertise as part of an agile working environment that offers an attractive salary package, including up to 15.4% superannuation. You will also be eligible to receive a wide range of employee benefits, support for flexible working arrangements and have excellent working conditions. We support the professional development of our people, and the chance to try new things across our variety of capabilities and work locations.
