

Speech Pathologist - Early Career

Reference Number: 43681

Employment Type: Fixed Term Full Time

Entity: Monash Health

Department: Speech Pathology

Location: Various Facilities

Do you want to work with a progressive, supportive speech pathology department and make a real difference to people you work with? An exciting fixed term opportunity is now available for an innovative and motivated early career Aboriginal and/or Torres Strait Islander speech pathologist to join our team. Kick start your career at Monash Health, Melbourne's largest metropolitan public health service.

About Monash Health & Allied Health

Monash Health is an impressive organisation of seven public hospitals, 21 community health sites, five aged care facilities, university affiliated international research and tertiary education. We provide healthcare for the entire lifespan from pre-birth to palliative care and all stages in between. More than 18,000 employees work at over 40 care locations across south eastern Melbourne

Speech Pathology at Monash Health covers the continuum and the life span. We have a large adult bed based department across five hospital sites; Monash Medical Centre, Kingston Centre, Dandenong, Moorabbin and Casey hospitals and teams of speech pathologists in Monash Children's Hospital, community health, community rehabilitation, clinics and mental health programs. All speech pathology employees have undertaken mandatory cultural awareness training, working to increase cultural safety and responsiveness.

About the Role

With a rotation program spanning the continuum of care across sites, this is a unique opportunity to establish your clinical experience to set you up for your career. We offer experiences in acute and sub-acute settings and provide the opportunity to develop a wide variety of clinical skills. This role focuses on your skill development allowing for additional learning objectives to be pursued. Clinical and cultural supervision is provided.

What we're looking for in you

- An Aboriginal and/or Torres Strait Islander speech pathologist within three years of graduation
- Eligibility for practising membership of Speech Pathology Australia
- A reflective and flexible mindset with a willingness to work in different areas to develop your skills

- A team approach and ability to lead by example
- A current Working with Children and Police check

Your application must directly address the required person specifications and include your academic record. Please also include the details of three professional referees with your application.

Benefits, Rewards and Remuneration

We are a diverse team of speech pathologists and allied health assistants. Our people report working here is positive because we are a supportive, flexible, and highly skilled department. We support career progression and professional development, with an abundance of opportunities to develop your professional identity within the workplace and grow your career in many different directions.

This role is classified as a Grade 1 Speech Pathologist and is paid according to award rates. Salary packaging is available.

Location

The role will commence at Casey Hospital, Berwick. Travel will be required across the five main hospital sites and community locations.
