

EXPRESSION OF INTEREST

Aboriginal Consultant

North Coast Aboriginal Development Alliance (NCADA) seeks the services of a highly experienced Aboriginal Consultant to assist NCADA to establish itself as a leader and advocate for the Aboriginal communities of the North Coast region (Clarence to Tweed LGAs). This is a short term contract of 13 weeks.

NCADA, is one of a number of Alliances across NSW, set up under the State Government's (Aboriginal Affairs) OCHRE Strategy, specifically its Local Decision Making (LDM) initiative.

The successful contractor will ensure preparations are undertaken to drive the delivery of specified actions listed in the current funding agreement with AANSW designed to support the establishment of an accord agreement with the NSW state government on service delivery priorities across the northern rivers region. These preparations will include (but are not limited to): the leading of actions/activities identified as Key Performance Indicators (KPI's) in the current AANSW and NCADA funding agreement.

The contract would also be expected to undertake extensive consultation with Aboriginal people throughout the region; co-ordinating and facilitating three (3) community gatherings within the region; and compiling recommendations and other information to guide future accord content and negotiations

Contract value = \$29,000 plus GST
