

Community Mental Health Clinician (OT or Nurse)

Location: Melbourne

Reference Number: 54047

- **Community Mental Health Clinician - Nurse or Occupational Therapist**
- **80 hours per fortnight (monthly ADO)**
- **Permanent Full Time position**
- **Rotating roster, am and pm shifts 7 days per week (availability negotiable)**

Life with Us:

- MWAMHS Central Community is based in Sunshine, we provide public mental health services to people who have complex mental health needs and who reside in the city of Brimbank or parts of Hume
- An integrated model forms the basis of the community team structure: all staff are allocated clients and are rostered onto service functions (intake, rostered and intensive) distributed in consideration of individual clinician expertise and preference
- The multidisciplinary team comprises of nurses, social workers, occupational therapists, psychologists and medical staff who work together creating a positive workplace while delivering high level mental health care
- Discipline specific treatment interventions and activities are supported, discipline specific supervision is provided and professional development opportunities are available

A Job To Be Proud Of:

- Deliver recovery-oriented evidence-based treatment and interventions that support consumers with complex mental health needs, family members and carers within an integrated model of service delivery
- Utilise discipline specific knowledge and skills in the delivery of care, support multidisciplinary colleagues incorporating discipline specific interventions in care planning
- Provide responsive interventions via rostered function, clinical intensive and / or intake roles
- Join an enthusiastic supportive group of mental health professionals striving to provide excellent care

Your Contribution:

- Demonstrated experience in the assessment, diagnosis and treatment of people who have complex mental health needs
- Assessment and treatment interventions specific to discipline of practice and inclusive of

comorbidities such as drug and alcohol, physical health and family work

- Effective communication and interpersonal skills, positive contribution to the multidisciplinary team and capacity to manage multiple clinical tasks
- A commitment to professional development, supervision and enthusiasm about quality initiatives
- Qualification and registration as a nurse is required
- A Victorian Drivers' License and ongoing ability to use this form of transport is essential.

Our Commitment to You:

- We are a values based organisation, a career with us is a rewarding experience offering great prospects for career diversity and professional advancement
- NorthWestern Mental Health boasts a sophisticated learning structure and we pride ourselves on supporting continuing professional development
- Clinical supervision, discipline specific support structures, workload management processes (CWMS) and local in-service opportunities further enhance the employees experience
- Flexible rostering
- Cohesive team, minimal attrition
- Affordable local parking, 5 minute walk from train station
- Attractive salary, working conditions, professional development leave and salary sacrifice
