

RMIT
UNIVERSITY

Research and Innovation Portfolio, Opportunities for Aboriginal and Torres Strait Island People.

RMIT's Research and Innovation Portfolio supports researchers and graduate researchers with research partnerships, grants and research contracts, funding opportunities, capability development, research training, ethics and integrity, intellectual property, commercialisation, internships, communication and profile.

We now have four exciting opportunities open only to Aboriginal and Torres Strait Islander talent in the Research and Innovation Portfolio (click on each link below to view the position information).

Senior Coordinator, Outreach and Employability (HEW 8)

Coordinator, Strategic Capability Initiatives (HEW 7)

Coordinator, Research Proposals (HEW 7)

Intellectual Property Commercialisation Officer (HEW 6)

At RMIT, we value the contribution of our workforce within research and innovation capability and have targeted these roles specifically to Aboriginal and Torres Strait Islander talent under Special Measures.

The positions will provide coordination and support for University-wide researcher programs and networks. This will be achieved by connecting researchers to communities via outreach, building partnership and engagement with industry, delivery support and creating collaborative opportunities. They will contribute to career planning and development and to the overall enhancement and success of RMIT's research capability.
