## Chief Operating Officer

South Australia has a rich history in screen production and the South Australian Film Corporation (SAFC) is the state's leading screen authority and investment body. Established under the South Australian Film Corporation Act, we focus on creating the conditions for the growth and prosperity of all of the components of the South Australian screen industry.

Reporting directly to the Chief Executive Officer and as an integral member of the Senior Leadership Team, this pivotal role is primarily responsible for:

- Managing all aspects of finance, operations, governance, risk management and various corporate functions;
- Proactively contributing to strategic and financial planning;
- Designing and implementing strategies to analyse, assess and mitigate risk to ensure the successful delivery of business plans;
- Leading, managing, mentoring and motivating a dedicated team;
- Managing critical relationships with key Government stakeholders.

Applications are encouraged from appropriately qualified professionals with proven experience in a comparable multi-dimensional finance/corporate services management role. Exceptional interpersonal and leadership abilities combined with business acumen, good governance and a strong commitment to continuous improvement are essential. The successful candidate will be a self-starter and will demonstrate versatility, energy and an unwavering focus on business and decision support. CA/CPA qualifications will be well regarded, as will a strong alignment with SAFC values and purpose.

The SAFC promotes diversity and flexible ways of working including part-time. First Nations peoples, Deaf and disabled applicants are strongly encouraged to apply. Applicants are encouraged to discuss the flexible working arrangements for this role.

This is a unique opportunity to join one of South Australia's most recognised and worthy entities at a time of strong growth for the State's screen sector.
