

Social
Futures

Performance Analysis Coordinator

- Full Time - 38 hours per week
- SCHCADS Level 6 plus generous salary packaging options
- Location - Lismore

The Performance Analysis Coordinator drives the performance monitoring, analysis and reporting of Social Futures' programs and contracts managed through the Relationships and Contract Management team as well as other key organisational functions. The role is responsible for ensuring all data management, analysis, interpretation and associated reporting functions are completed in an accurate and timely manner to meet Social Futures' internal and contractual requirements. It also supports program and project evaluation.

What Social Futures Offers:

- A responsive and family friendly workplace
- Access to banked hours leave
- Attractive salary packaging options
- Regular supervision and support
- Ongoing training and development

Social Futures is a voice for social change in regional Australia, helping to create connected, resilient communities. With more than 40 years' industry experience, we are a community service leader, striving to create change through our work across homelessness and housing supports, youth and family services, sector advocacy and programs that promote genuine participation for people with disability.

Social Futures is an equal opportunity employer and will actively recruit our workforce from key communities; including Aboriginal and Torres Strait Islanders, LGBTIQ+ and people living with a disability, people with lived experience and people from culturally and linguistically diverse communities.

Social Futures is committed to prioritising the safety and well-being of children and upholds the National Child Safe Principles. Working with Children and National Police Check clearances are mandatory requirements for all staff.
