

## Clinical Nurse Consultant - Wound Management/Stomal Therapy

**Reference:** JR115929

**Type:** Permanent

**Location:** Darlinghurst, Sydney, Australia

**Industry:** Medical and Nursing

- Full time position - 12 months maternity leave cover
- Salary Packaging - up to \$9,010 per year

### The Opportunity

We currently have a full time position for a Clinical Nurse Consultant in Wound Care and Stomal Therapy. This position is a maternity relief role where the right candidate will ensure optimal care delivery with expert clinical advice on stomal therapy and wound care. This is a a fixed term contract for 12 months.

Your responsibilities are (but not limited to):

To ensure the clinical care of patients at St Vincent's Private Hospital Sydney is provided in a person centred care manner, within the philosophy, mission and values of SVPHS.

To ensure all patient care delivered is done so within the scope of practice of the relative practitioner.

To demonstrate a broad clinical knowledge with a strong commitment to professional development and clinical teaching.

To ensure the confidentiality of patients and staff is maintained and communication and interpersonal skills are effective and appropriate.

### About you

To be successful, you must possess the following:

- Minimum 5 years clinical experience in specialty area.
- Previous experience in senior clinical role.
- Bachelor of Nursing and relevant Masters qualification.
- Completed or working towards Graduate certificate in Stomal therapy and Wound Care Management.
- Excellent written & oral communication skills.
- Demonstrated leadership skills.
- Able to work in a multidisciplinary team whilst having the ability to work autonomously.
- Experience with discharge planning and managing patients expectations regarding length of stay.

### Essential requirements

- In accordance to guidelines set by NSW Health, all SVPHS employees are required to have up to date vaccinations before commencement. It is encouraged that you ensure your vaccinations are current ahead of time as you may be requested to provide documentation at interview stage.

- Criminal record checks will be conducted and will form part of the selection criteria for this role.
- This position requires a Working with Children Check (WWCC) issued by the Office of the Children's Guardian. For more information and how to apply, please visit the Office of the Children's Guardian website [www.kidsguardian.nsw.gov.au/working-with-children/working-with-children-check](http://www.kidsguardian.nsw.gov.au/working-with-children/working-with-children-check).

### The Benefits

- As a not-for-profit organisation all staff receive salary packaging benefits through SmartSalary up to \$9,010 per year. Salary packaging helps to lower your taxable income and increases your take-home pay, with increased benefits for full-time employee such as reduction to rent or mortgage payments, vehicle leasing and a meal entertainment card.
- Brand new first-class modern facilities following a hospital wide five-year redevelopment project, due for completion in August 2020. A pristine working environment and staff facilities.
- We are a hub of innovation, research and technology being located on a large-scale health campus with interconnected research institutes (Garvan, Kinghorn and Victor Chang), St Vincent's Clinic and the Public Hospital.
- Located in Darlinghurst the bustling inner CBD hub with a strong café, restaurant and bar culture on our doorstep.
