

# Cloud Services Intern (Targeted Position) eHealth NSW ICT Intern Program

**This is a targeted position for eligible persons under GSE Rule 26 and is limited to Aboriginal and/or Torres Strait Islander people only. Candidates will be required to cite their Aboriginality as part of the recruitment process.**

A career with eHealth NSW offers you the opportunity for challenging and rewarding work. Be part of realising the vision of a digitally enabled and integrated health system delivering patient-centred health outcomes for patients and communities in a diverse and supportive workplace.

**Employment Type:** Temporary Full-Time or Part-Time (dependent on availability)

**Position Classification:** Administrative Officer Level 4

**Remuneration:** \$31.88 - \$32.65 per hour (excluding 9.5% superannuation)

**Hours Per Week:** 24-38 hours per week

**Location:** Chatswood or Parramatta. Work will be a mixture of remote working and office-based work, in adherence with social distancing requirements.

We are very excited to announce that applications are now open for the 2021 eHealth NSW ICT Intern Program. As part of the 2021 program, we have a targeted position for Aboriginal and/or Torres Strait Islander people.

By joining the eHealth NSW Intern Program, you can look forward to being a part of an achievement and greater good focused organisation which offers you the opportunity to participate in meaningful work and contributes to the digital health goals for NSW Health.

As an employee of eHealth NSW you will play an integral role in helping eHealth NSW deliver on its strategic objectives by working across a range of exciting ICT projects and program initiatives with a diverse team of bright and motivated people.

## About the role

The Cloud Services intern will work within a multidisciplinary team responsible for the delivery, operations and transformation for Cloud Services and Capabilities. The intern will have the opportunity to work in a DevSecOps operating model, with great exposure to leading Cloud Technology providers such as AWS, MS Azure and VMware, across diverse modern operational toolsets. Day to day duties will range from operational responsibilities, platform development and project delivery.

## Why should you apply?

- Be a part of a collaborative and flexible team culture which delivers meaningful work within NSW Health
- Receive a mentor, buddy and growth and development plan aimed at supporting your ongoing development
- Enjoy a range of health and wellbeing offerings including discounted gym rates and free flu vaccinations
- Receive study support including study and exam leave
- Benefit from salary packaging and salary sacrifice to superannuation
- Join an organisation which is committed to women's development through its Women's Leadership Community of Practice

## About you

You will be a self-motivated, results driven and collaborative person who demonstrates a love for technology and learning new concepts. You will also be passionate about making a difference in NSW Health.

To be considered for the eHealth NSW ICT Intern Program, you must be currently enrolled in degree or qualification and have an interest in ICT. You will be required to work 3 to 5 full business days per week for the duration of your internship.

To be considered for this position, you will need to attach your resume and detail your experience, knowledge and capabilities in written responses to the targeted questions in the questionnaire.

For role related queries or questions contact Jessica Smith, Aboriginal Workforce Consultant, on [Jessica.Smith@health.nsw.gov.au](mailto:Jessica.Smith@health.nsw.gov.au) or the People & Culture, eHealth NSW team on [EHNSW-PeopleAndCulture@health.nsw.gov.au](mailto:EHNSW-PeopleAndCulture@health.nsw.gov.au)

Only candidates with current Australian work rights (Australian citizens, permanent residents, NZ citizens with a current passport, valid work visa) will be considered.

## Closing Dates: 23 November 2020 (11:59PM)

Applications must be lodged electronically.
