

Support Officer – Immunisation & Cancer Screening

Location: Orange, Dubbo or Bathurst

Full-time maximum term contract until 30 June 2021 (with possibility of further extension)

The Support Officer - Immunisation & Cancer Screening works within own scope of practice, service protocols and alongside the Immunisation & Cancer Screening Coordinator to support culturally safe Aboriginal Community engagement to develop and implement quality improvement Immunisation & Cancer Screening activities.

The position is designed to provide a culturally safe service delivery and work collaboratively with Aboriginal Health Professionals and general practices within the Western NSW Primary Health Network (WNSW PHN) area to enhance knowledge, understanding and confidence in making decisions (health literacy) that relate to the National Cancer Screening Programs: breast, bowel and cervical cancer.

WNSW PHN has a strong focus and commitment to addressing Aboriginal health inequality across the region and your commitment to the values of improving Aboriginal outcomes is highly valued. These roles will work closely with relevant internal staff and commissioned services providers to facilitate the adoption and implementation of the Western NSW Primary Health Network (WNSW PHN) Cultural Safety and Clinical Governance Frameworks.

PLEASE NOTE: The selection criteria as outlined in the position description must be addressed as part of your application.

Applications close 11.59pm Tuesday 10 March 2020.
