

# University of Wollongong

## Associate Research Fellow

**.Fixed term, part-time appointment (until 31 May 2025, 0.8FTE)**

We are looking to welcome a project manager/ Associate Research Fellow to manage the Peer Support for Breastfeeding for Aboriginal Women MRFF project (4.5 year project).

The project involves breastfeeding peer support for and by Aboriginal women, on breastfeeding in the first six months post-birth in maternal and child health services across NSW.

This position would suit an experienced research project manager or post-doctoral researcher, and could suit those from nursing, midwifery, nutrition, social sciences or other relevant backgrounds. The project will involve travel across NSW for some tasks. This position could be based at Wollongong, the Shoalhaven or other location. A deep understanding of Aboriginal knowledges and perspectives is essential for the position. This position has been classified as "child-related work", more information is available within the position description. You will be prompted to respond to a selection criteria questionnaire as part of the application process.

For further information about this position, please contact Associate Professor Rowena Ivers on + 61 2 4448 0899.

Please submit your application online via the below:
